Scientific Committee
6th November, 2018
15.00-16.30

The meeting was held online, through the zoom link : <https://videoconf-colibri.zoom.us/j/824487651>

The meeting was attended by the representatives of all the partners in the consortium. The main topic was to discuss on the details for the training in Elbasan 28 January – 01 February 2019.

There is going to be a change in the period of days to be spent on the training in Elbasan. There are going to be 5 working days and not 08-10 days. It was made a division of the days , proposed by Jorge as follows:

- 1 day dedicated to assessment
- 2 days dedicated to supervising the social services in Albania
- 1 day dedicated to practical skills and exercises
- 1 day KOM

It was highlighted the importance to specify the training topics for the training in Elbasan, taking into consideration the need of the staff. It was concluded that all three Albanian partners (Elbasan, Scutari and Tirana) will provide with summary within 26th of November, regarding the needs of training for the professors and social services providers in Elbasan. The main focus it is going to be on:

- Methodology used on the academic aspects for social work.
- Practices and the collaboration with different institutions/ organizations.
- Literature used and how it may be enriched.

It was proposed and accepted by all partners the participants of the students of social work, during the training section. The students should be in the third year of the bachelor or in their master studies.

The first day (assessment) may be organized as a round social table with participants from all the social services providers and students, so this round table can a good interactive activity and may be co directed by all EU partners.
